

Assets

The diagram illustrates the structure of an 'Assets' container. It is represented by a light blue rectangle with a dashed border. Inside this container, the word 'Assets' is centered at the top. Below it, there is a solid black rectangular frame. Within this frame, the word 'Scripts' is positioned on the left. To the right of 'Scripts', there are three smaller, light blue rectangular boxes with black borders, arranged horizontally. These boxes are labeled 'Grid', 'Interactables', and 'PlayerHand' from left to right.
