

MonoBehaviour

PlayerHand.MovementHandler

- + Vector2 Velocity
- + Vector2 MovementDirection
- + Vector2 ThrowForce
- Camera camRef
- float baseSensitivity
- int referenceScreenHeight
- float accelerationRate
- float decelerationRate
- float minSpeedMultiplier
- float maxSpeedMultiplier
- float maxVelocity
- float velocitySmoothing
- AnimationCurve throwForce Curve
- Bounds movementBounds
- float originalZPosition
- float targetZPosition
- bool isAnimatingZ
- float zLerpSpeed
- float currentSpeedMultiplier
- float pixelDensityScale
- Vector3 previousPosition
- Vector3 smoothedVelocity
